

# West Sound Beekeepers Association

## Starting Beekeeping

If you are thinking of getting a hive of honeybees, this 2 hour session will give you an overview of what you will need to get started.

**Date:** Sat. Sept 17

**Time:** 9am-11am

**Location:** Stedman Bee Supply, 3763 NW Anderson Hill Road, Silverdale

**Price:** Individual \$10, Family \$10

Several experienced Kitsap County beekeepers will speak on topics including:

- Bee life cycle and hive life cycle
- Hive types, tools, and clothing
- Beekeeping challenges for the Northwest
- Classroom and other educational opportunities
- First year in the apiary
- Beekeeping costs

The morning includes a look at observation hives and a taste of honey!

Seating is limited, so register now!
